SALUTO DEL PRESIDENTE DELLA PROVINCIA DOTT. LUIS DURNWALDER

Dal 10 al 12 giugno si disputa a Bolzano una importante edizione di una delle più importanti manifestazioni di tuffi a livello Europeo e Mondiale. Voglio dare il mio personale benvenuto agli atleti e agli spettatori.

Un pensiero ed un ringraziamento vanno innanzitutto al Comitato Organizzatore ed in particolar modo al Campione Olimpico Klaus Dibiasi e al Presidente della Federazione Italiana Nuoto Alto Adige Ardelio Michielli che sono riusciti nuovamente a dare lustro a questa manifestazione. Infatti sono riusciti ad avere a Bolzano alcuni tra i nomi di primissimo piano a livello europeo.

Sono certo che vi siano tutte le condizioni per vedere una gara di altissimo livello e anche gli spettatori potranno accorrere numerosi anche per sostenere gli atleti di casa che tante gioie ci stanno dando in tutte le più importanti manifestazioni a livello mondiale.

Gli atleti si allenano duramente per anni e devono poi riuscire ad esprimere in pochissimi secondi tutto ciò che hanno appreso, migliorato, perfezionato in ore e ore di prove e di tentativi affrontati sempre con il massimo senso di sacrificio.

Per questo motivo voglio augurare loro di poter esprimere al meglio le loro potenzialità, con l'auspicio che ancora una volta i nostri atleti si sappiano distinguere ad altissimo livello.

Un cordiale saluto va anche agli spettatori che potranno godere di uno spettacolo davvero di prim'ordine.

Con i miei migliori saluti.

Dott. Luis Durnwalder

GRUSSWORTE VON LANDESHAUPTMANN DR. LUIS DURNWALDER

Der Gemeinde Bozen mit ihren sportbegeisterten Bürgern steht mit der Durchführung der 17. Auflage des Fina Diving Grand Prix 2011 vom 10. bis 12. Juni ein sportliches Großereignis der Sonderklasse bevor.

Alle Teilnehmer und Zuschauer heiße ich dazu herzlich willkommen!

Das Organisationskomitee um Olympiasieger Klaus Dibiasi und dem Präsidenten des Landeskomitees des staatlichen Schwimmverbandes Ardelio Michielli freut sich darauf, nach langen Jahren der Abwesenheit der Elite der Wasserspringer im Bozner Freibad wieder Athletinnen und Athleten von Weltruf zu Gast zu haben und einen sicher spannenden Wettbewerb zu erleben. Die Organisatoren haben alles daran gesetzt, beste Voraussetzungen dafür zu schaffen.

Die Zuversicht der Veranstalter bestärkt der gute Ruf, den Gastlichkeit und Gastfreundschaft der Organisatoren allgemein genießen. Bozen verfügt über eine Sprunganlage, die auch den internationalen Anforderungen entspricht. Dies lässt darauf hoffen, dass die bereits erfahrenen Organisatoren eine beeindruckende Sportveranstaltung ermöglichen werden. Wir alle vertrauen ferner auf das Publikum. Ihnen werden - gewiss nicht zu Unrecht - besonderes Interesse, Begeisterungsfähigkeit und Objektivität nachgesagt.

Diese Faktoren bieten die Gewähr dafür, dass die 17. Auflage des FINA DIVING GRAND PRIX 2011 für alle Beteiligten, für die Verantwortlichen, für die Teilnehmer, aber auch für die Zuschauer, zu einem großen, fairen und erfolgreichen Wasserspringer-Fest werden wird.

In diesem Sinne wünsche ich allen Wettbewerbsteilnehmern nicht nur große Erfolge, sondern auch einige schöne Tage in unserem Land!

Dem Organisationskomitee übermittle ich meinen besten Dank!

Dr. Luis Durnwalder

SALUTO DEL SINDACO DELLA CITTÀ DI BOLZANO DOTT. LUIGI SPAGNOLI

Amici sportivi,

Bolzano capitale mondiale dei tuffi. Per un week end, dal 10 al 12 giugno, il Lido di viale Trieste ospiterà una tappa (l'unica in Italia) del 17° FINA Diving Grand Prix. Si tratta di una manifestazione di altissimo livello tecnico ed agonistico che vedrà impegnati in gara i migliori tuffatori del mondo.

Per la nostra città, un graditissimo ritorno. Bolzano è infatti considerata a più voci la "Città dei Tuffi", vuoi per aver dato i natali (oggi come ieri) ai più grandi campioni azzurri di questa disciplina, vuoi per i successi raccolti dalla scuola di tuffi bolzanina e vuoi perché, per tanti anni (dal 1963 al 2001), ha organizzato con successo il Meeting Internazionale di Tuffi.

Mi sia consentito in questa particolare circostanza rivolgere un sentito ringraziamento a quanti hanno fatto sì che Bolzano potesse tornare ad ospitare una prova del Grand Prix. Una vetrina prestigiosa ed importante. Un evento agonistico che consentirà al capoluogo di farsi conoscere (e speriamo anche apprezzare) da coloro che, in tutto il mondo, attraverso le immagini televisive, seguiranno le varie fasi della competizione. Per il pubblico locale un'occasione davvero da non perdere. Per la nostra città l'opportunità di riproporsi in veste organizzativa in grande stile a livello internazionale. L'impianto (il Lido di viale Trieste) è sicuramente all'avanguardia e pronto ad accogliere "l'assalto" dei campioni.

Oltre 20 le nazioni iscritte che hanno confermato la loro partecipazione. Attesi oltre 170 ospiti tra tecnici, dirigenti e atleti delle diverse nazioni che si sfideranno dalla piattaforma, e dai trampolini da 3 e da 1 metro. Tutti si muoveranno in città, in massima libertà, grazie alle biciclette messe a disposizione dal Comune. Un abbinamento quello tra il mondo dei tuffi e quello della bicicletta, all'insegna dello sport e della mobilità sostenibile. Al Grand Prix di Bolzano ci saranno tutti i migliori atleti in vista anche dei prossimi Campionati Europei. La nazionale azzurra schiererà i suoi atleti di punta con buone chance di salire sul podio nelle varie specialità. Noi ce lo auguriamo, ma l'in bocca al lupo va a tutti gli atleti partecipanti.

In qualità di sindaco di Bolzano rivolgo a tutti gli ospiti il più caloroso saluto di benvenuto nella nostra città, nella speranza che il soggiorno risulti particolarmente piacevole ed in particolare per gli atleti, che i risultati agonistici possano essere pari, se non addirittura superiori, alle aspettative.

Infine ancora un grazie di cuore agli organizzatori, senza i quali questa importante manifestazione non si sarebbe potuta ospitare nella nostra bella città.

Dott. Luigi Spagnoli

GRUSSWORTE VON BÜRGERMEISTER DR. LUIGI SPAGNOLI

Liebe Sportsfreunde,

Bozen ist einmal mehr Zentrum der WasserspringerInnen. Das Wochenende vom 10. bis 12. Juni ist der Bozner Lido Austragungsort der einzigen Italien-Etappe des 17. FINA Diving Grand Prix. Das bedeutet allerhöchstes Niveau, denn die weltbesten WasserspringerInnen werden sich dem Wettkampf stellen.

Für unsere Stadt ist der Grand Prix eine Bestätigung, wird die Stadt doch von vielen als die Stadt der WasserspringerInnen bezeichnet. Zum einen sind hier die besten italienischen SpringerInnen zu Hause, zum anderen ist die Bozner Springer-Schule für ihre Erfolge weitum bekannt. Auch hat sich Bozen mit dem Intern. Spring-Meeting in den Jahren von 1963 bis 2001 einen Namen gemacht.

Ich darf an dieser Stelle all jenen herzlich danken, welche es ermöglicht haben, dass der FINA Diving Grand Prix wieder in Bozen Station macht. Bozen hat damit wieder die Chance, sich als Sportstadt in der großen Welt des Sports einen Namen zu machen, mit tollen Bildern unserer Stadt, Reportagen zu Land und Leuten und natürlich spannenden Berichten von den Wettkämpfen im Bozner Lido. Ich hoffe, dass sich das heimische Publikum dieses Sportereignis der absoluten Spitzenklasse nicht entgehen lassen wird. Die Stadt ihrerseits wird alles daran setzen, sich von ihrer besten Seite zu zeigen, die Anlage im Lido an der Triester Straße ist bereit für die weltbesten Wasserspringer.

An die 20 Nationen haben ihre Teilnahme bestätigt, das sind rund 130 Athletinnen und Athleten, welche sich vom Turn, dem Drei- und Einmeter-Brett mit kunstvollen Schwüngen ins kühle Nass stürzen werden. Die SportlerInnen haben an den drei Wettkamptagen aber auch Zeit Bozen zu erkunden. Die Stadt stellt hierfür Fahrräder zur Verfügung als ideale Verbindung zwischen Sport und nachhaltiger Mobilität. Wir haben zudem das Glück, dass im Hinblick auf die anstehenden Europameisterschaften die besten SpringerInnen in Bozen an den Start gehen werden. Die italienische Nationalmannschaft wird ihre Medaillenanwärter an den Start schicken. Ich wünsche allen TeilnehmerInnen viel Erfolg.

Als Bürgermeister dieser Stadt darf ich alle Gäste auf das Herzlichste hier in Bozen willkommen heißen und ihnen einen angenehmen Aufenthalt wünschen. Gleichermaßen gilt für die AthletInnen, verbunden mit dem Wunsch, dass die sportlichen Ergebnisse den Erwartungen entsprechen oder diese gar übertreffen.

Zum Schluß gilt mein aufrichtige Dank den Organisatoren, ohne deren Einsatz es nicht möglich wäre, eine Sportveranstaltung dieser Größenordnung umzusetzen.

Dr. Luigi Spagnoli

FINA PRESIDENT'S MESSAGE

FINA DIVING GRAND PRIX 2011

It is a great pleasure for me to present you the 2011 edition of the FINA Diving Grand Prix.
Six meetings are on the schedule, with the first rendezvous starting in Madrid (ESP) on February 18 and the last concluding the series in Bolzano (ITA) on June 10-12.

With the active support of our Member National Federations, sponsors and partners, and TV networks, the FINA Family has good reasons to celebrate: our sport is growing, attracting more athletes, more organisers and more spectators.

In July 2011, will be organised the 14th FINA World Championships in Shanghai (CHN) and I am sure that the Grand Prix meets will be an admirable opportunity to evaluate the shape of the athletes in terms of their world hierarchy. FINA is happy to notice that over the years the struggle for the final ranking of the series is tighter and that more divers are fighting for the first positions. This is a clear sign of the quality and consistency of the participating divers.

In this occasion, I would like to express my gratitude to all the Organisers of the FINA Diving Grand Prix 2011. Their commitment and hard work are key factors to the success of the competition. Thanks also to the media representatives, sponsors and spectators for their help in the promotion of the Grand Prix.

I wish all the luck to the participants in the FINA Diving Grand Prix 2011.

Dr. Julio C. Maglione
FINA President

THE PRESIDENT'S SPEECH

On behalf of the Italian Swimming Federation and mine, I kindly welcome all the athletes, officials, managers and judges who have come here in Bozen to take part into the 6th stage of the 2011 edition of FINA Diving Grand Prix.

The important sporting event that will take place from the 10th to the 12th of June at Bozen Swimming Stadium involves more than 120 athletes on behalf of about 20 national teams. Among them, there are some of the protagonists that participated in the 13th Fina World Championship, Roma 2009.

Also, the Bozen FINA Diving Grand Prix is one of the events dedicated to the promotion of aquatic discipline dissemination through travelling international events, traditionally connected with RomAquatica.

In the wake of Roma 2009 technical and media success, the Grand Prix leaves the capital and reaches Bozen - one of the crucial cities as for the promotion of the whole movement - in order to increase the value of the culture of water and involve further regional committees, towns, associations and fans.

The event, which is composed of individual 1m and 3m springboard and 3m springboard synchronized discipline (individual platform and synchro), will be shot and broadcasted by RAI Sport which- once again- collaborates and assists the Italian Swimming Federation on the dissemination of the culture of water.

Wishing to see competitions of a high technical value, I sincerely thank the Autonomus Province of Bozen for its hospitality and the FIN Provincial Committee for its great professionalism and support in the organization of the Tournament.

Good luck to all of you!
Enjoy the show.

GENERAL RULES

- The competitions will be conducted in accordance to the FINA Rules and Regulations.
- There will be men's and women's.

INDIVIDUAL EVENTS

1 metre
Direct Finals (Out of the Official GP FINA Program)

3 metre springboard
Preliminaries, semi finals and finals by Tournament.

10 metre platform
System (dives without limit)

The format for the individual events in this FINA DIVING GRAND PRIX is the tournament system based only on dives with unlimited degree of difficulty (men six dives, women five dives).

The tournament consists of a preliminary competition, two semi-finals with six (6) divers in each and a final with six (6) divers. Semi-final "A" comprises the divers ranked 12-10-8-6-4-2 and Semi-final "B" comprises the divers ranked 11-9-7-5-3-1 in the preliminary competition, however not more than two (2) divers from the Organising Federation may be counted among these twelve (12) divers. In the finals, the three (3) best divers from both semi-finals meet. In the semi-finals and finals, the divers start in the reverse order of their placing in the preliminary competition.

SYNCHRO EVENTS:

3 metre springboard synchro

10 metre platform synchro

Direct Finals, according FINA Rule D 3.7.

The maximum number of divers who can participate in an individual DGP event is 4 from the host Federation and 2 from each visiting Federation. In synchronized diving the maximum number of teams who can achieve DGP points is 1 per Federation. The host Federation may enter 4 divers in the prelims of an individual event but only 2 can advance to the semi-finals. The host federation may enter 2 teams in the direct final of a synchro event but only the best team can achieve DGP points. No additional divers or teams are allowed to start in a DGP meet, which means that participation in the form of exhibition is not allowed.

The timetable of the Event can be changed during the Technical Meeting according to the number of athletes entered in each competition and for TV schedules.
